

Juni T. Bautista

(703) 231-1611 | junibee@vt.edu | linkedin.com/in/juni-bautista | github.com/junerdz | Bristow, VA (NOVA)

Education

Virginia Tech | Blacksburg, VA *August 2022 – May 2025*

Bachelor of Science in Computer Science

Northern Virginia Community College | Annandale, VA *August 2021 – May 2022*

General Engineering

Experience

Service Employees International Union (SEIU) *September – November 2021*

Canvasser Manassas, VA

- Canvassed neighborhoods across the Northern Virginia area
- Provided information on how to register to vote for the 2021 Virginia gubernatorial race
- Collected data on which political issues were important to residents and other voter information

Projects

Online Portfolio | HTML, CSS, GitHub Pages, FormSubmit *October 2023*

- Hosted website using **GitHub Pages** (link: <https://junerdz.github.io/>)
- Using basic **HTML** and **CSS**, developed a website containing a download link to my resume, personal information and GitHub and LinkedIn links, and a contact form developed using the **FormSubmit API**

Chess Game | C++, Simple Fast Multimedia Library *September 2023*

- Utilized the **Simple Fast Multimedia Library (SFML)** Graphics and Windows libraries to display and move pieces on a 2D grid, used **C++** structs to store chess piece information and functions
- Created a 2D Chess Game that places pieces, allows for black and white turns, and all non-special moves for every piece type

Organizations

Young Democratic Socialists of America | Virginia Tech *August 2022 – Present*

- As a member, attend meetings educating members about important political issues and political organizing on and off campus
